EXPERIENCE

Front-End Developer Chingu | Remote | 2021

- Created an event scheduling app that allows users to check the availability of the event participants and helps create a to-do list for the event
- Worked remotely with a European/ African/ Asian team of 5 developers and used agile methodologies to ensure the progress of the project in GitHub Projects
- Designed, planned, and implemented the app and reviewed colleagues' PRs

Brand Strategy Planner Lion Corporation | Tokyo, Japan | 2017-2021

- Carried out market monitoring, budget & P/L management, and sales strategy development for portfolio brands
- Elaborated in-store displays to improve the shopping experience, resulting in a 40% cost reduction
- Conducted user research and set hypotheses for future branding

Marketing & Communications Assistant

Langports English Language College | Brisbane, Australia | 2015-2016

- Managed the company social media channels (Instagram, Facebook)
- Created promotional materials using Final Cut Pro and InDesign
